

**UNITED WE FIGHT.
UNITED WE WIN.**

LIVE UNITED

MAKE CHANGE HAPPEN!

Partnering with United Way of Wapello County is an effective way to make a real impact in the community, engage your employees, and show the community that your company cares. Here are some opportunities available through your local United Way.

WORKPLACE GIVING CAMPAIGN

A United Way giving campaign provides employees a chance to donate to and champion causes they care about. Employees can donate through payroll deduction or one-time gifts. We will provide all the tools and materials you will need. Studies show that hosting a workplace campaign boost retention rates and employee morale!

VOLUNTEER OPPORTUNITIES

Volunteering builds leadership skills and visibly demonstrates your commitment to the community. We have opportunities for individual volunteers and groups, on-going opportunities and one-time projects.

CORPORATE DONATIONS AND SPONSORSHIPS

Make a corporate donation to United Way in any amount, or sponsor a United Way program or event. Your company will be publicly recognized for your support.

HOST A FUNDRAISER OR EVENT

For employees or customer, events and promotions can be a fun way to raise funds and show your support for United Way. We can provide examples and tools for a successful United Way event!

For more information about these opportunities, please contact Ali Wilson at a.wilson@wapellocouw.org or 641-682-1264.
