WHY UNITED WAY

Every day, people in our communities struggle with issues that may seem impossible to solve. Limited access to health services. Lack of education. Financial instability. These are tough problems that threaten the future of individuals and communities. But there is hope.

United Way of Wapello County is fighting for the education, financial stability, and health of every person in every community we serve.

We are more than the fundraisers. We are the problem solvers, the hand raisers. We are the game changers. With our partners, donors and volunteers, we're offering hope and help where it's needed the most.

When you donate to United Way, you are joining thousands of caring community members who are fighting to make life in Wapello County better for everyone. We have one life. To live better, we must LIVE UNITED.
