WHY PARTNER WITH UNITED WAY

MAKE AN IMPACT

United Way focuses on the most critical problems facing our community and invests in strategies that get results.

We combine funds from donors, corporations, and foundations to make the most out of every dollar we receive.

JOIN THE FIGHT

United Way fights for the education, financial stability, and health of every person in our community. We work every day to make Wapello County a better place to live, work, and do business.

"None of us created the problems in society, but we have a moral obligation to help. And United Way certainly does that for us- they are helping us help children and families. And we couldn't do that without them."
