

The 2013 Ottumwa Healthy Community Survey Has Begun!

A survey about health, eating, exercise habits and your views about Ottumwa.

ALL YOU HAVE TO DO TO PARTICIPATE IS:

TALK with a interviewer for a ~30 minute telephone interview. The interview can be done in either Spanish or English. You will receive compensation for taking part.

Taking part is **voluntary** and you can choose to answer or not answer any question in the survey.

We invite you to take part in this important effort. Your answers will inform programs that will **assist Ottumwa in its health needs**.

The University of Iowa Prevention Research Center (PRC) is partnering with the Ottumwa Community Advisory Board and other community partners.
